

IMAGINETICS

Our VISION

Imaginetics will double in sales through organic growth.

Our MISSION

Imaginetics is to be the best-in-class while providing our customers with unmatched service at fair market value.

VALUES STATEMENT

Imaginetics will be guided by the Values we apply across our organization. These Values will be used when describing the company and we will strive to make our decisions and actions reflect these Values. We believe that putting these into practice is key to supporting the Mission of Imaginetics.

TEAMWORK

We will foster a trusting, collaborative and open approach to work where we respect the idea and contributions of everyone.

ACCOUNTABILITY

Each and every one of us will take responsibility for our commitments, actions, and results.

RESPONSIBILITY

We will strive to be an admired company for the way we interact with our community.

AGILITY

We will quickly adapt to the changing needs of our customers, markets and business.

OBJECTIVITY

We will be data-driven and make fact-based decisions

RELIABILITY

We will be consistent in our actions by saying what we do, and doing what we say.

MOTIVATION

We will seek out and encourage employees that have can-do attitudes and who will make the effort to succeed.

CREATIVITY

We will challenge the status quo and where appropriate, develop innovative alternatives by thinking "out of the box."

INTEGRITY

We live by the highest standards of honesty, ethics, fairness and respect in all interactions.

RESPONSIVENESS

We recognize time is a valuable commodity and will act quickly and effectively in all of our actions.
